

FINANCIAL ASSISTANCE POLICY PLAIN LANGUAGE SUMMARY

Obtaining Assistance with your Bill

In keeping with our mission, Barton Memorial Hospital cares for people and their health needs regardless of the ability to pay. To meet the community's needs, Barton Memorial Hospital offers financial assistance to eligible patients/guarantors (person that is financially responsible) who do not have the financial ability to pay for their medical bills. We provide financial assistance to eligible patients based on their ability to pay for Emergency Medical Care or non-emergency, Medically Necessary Care delivered by Barton Health within Barton Health-operated hospital facilities including all buildings listed on the license for each hospital. *medically unnecessary services, such as those purely cosmetic in nature are excluded from the hospital's Financial Assistance Programs. Financial assistance is not available for providers who are not covered under our Financial Assistance Policy. A full list of providers who participate and those who do not, can be found on our webpage at <https://www.bartonhealth.org/tahoe/financial-aid.aspx>. The Financial Assistance Policy (FAP), Billing and Collection Policy, Plain Language Summary and the Financial Application are available in English and Spanish.
