

COVID-19 Supply Donation Guidelines

Thank you for your generosity as you have expressed an interest in donating medical supplies to support our staff and patients during the COVID-19 outbreak.

In an abundance of caution as COVID-19 spreads, and with the increased global shortages of supplies, **Barton Health is now gratefully accepting donations of needed supplies.**

Donations must be in **unopened, original packaging** and in accordance with approved hospital standards. Homemade supplies need to follow strict guidelines established by our internal task force.

Requested Donation Categories Include:

- Masks (N95, surgical, and procedure)
- Disinfecting wipes such as Clorox or Sani-cloth wipes
- Hand sanitizer
- Face shields
- Goggles and eye shields
- Isolation or surgical gowns
- CAPR/PAPR machines and disposables
- Flocked swabs

For more information on guidelines and drop-off locations, please contact:
